

Life Management for Busy Women

“So teach us to number our days, That we may present to You a heart of wisdom.”

GOD’S WORD:

- 🍂 teaches us and grounds us in doctrine, theology, and truth
- 🍂 reproves us—speaks to our heart and points out sin we need to repent of
- 🍂 corrects, instructs us—builds us up and sets us on correct path
- 🍂 equips us—helps us to serve God
- 🍂 guides us—light for our path—how to avoid the wrong path and show us the right way
- 🍂 cheers us—God’s Word is our joy even when circumstances are not joyful
